

CERTIFICATE OF COMPLETION

PRESENTED TO

PRANATHI T R

for successfully **completing the Cedar Initiative by NoxusDynamics LLP**, a four week, hands-on AI training program by NoxusDynamics LLP focused on developing and deploying practical AI solutions for real world challenges in agriculture.

Throughout the program, the participant worked as a part of Team NCD-3, contributing to the project **"Fish Freshness Detection "**. Their efforts spanned data acquisition, model development and training, optimization, review, and final presentation, demonstrating commitment, collaboration, and technical initiative. The team was able to attain **99.62% model accuracy**.

AWARDED ON

27-09-2026
